## **General Information:**

This request for purchase is for a Horton Model 603-F Type I Ambulance. The ambulance would be purchased from the North Central EMS Cooperative (NCEMSC) bid. This would replace a 2008 Braun ambulance. The 2008 E-Series ambulance box cannot be re-chassised to a F-Series chassis. The funding for this purchase would come from Fire Department Equipment Replacement account in the CIP. The vehicle would be on a six year replacement schedule. The price includes the trade-in of the 2008 ambulance. Our research indicates this is a very good quality ambulance at a very competitive price and would recommend the approval to purchase.
